You still have a chance to own the most intriguing, limited edition* Star Wars: The Empire Strikes Back *lithographs ever made available.

These beautiful 12"H x 18"W lithographs are an art collector's dream. Each has been created from an original production painting by noted *Star Wars* artist Ralph McQuarrie. Just admiring them will inspire you to relive the heart-pounding thrills you experienced the first time you saw *The Empire Strikes Back*. Speaking of the famous movie, in the corner of each lithograph is an original film frame (showing a film scene) from an authentic 70mm *The Empire Strikes Back* movie print. Press the button, and the film frame lights up – revealing the artistry of master filmmaker George Lucas. These elegantly framed and matted pieces are sure to become the winning prize of any movie buff's – or *The Empire Strikes Back* enthusiast's – collection. Not only are the lithographs individually numbered, but they're also hand-signed by the artist, and include a certificate of authenticity. Each of these four lithographs is limited to an edition of only 2,500. After that – they're gone. We urge you to order immediately to ensure availability. Of course, true collectors of *The Empire Strikes Back* (ESB) will want to order all four. Each uses two AA batteries (not included).

Just say "Fett"!
(The Bounty Hunter)

When an unnamed (during screen time) Boba Fett was introduced in *The Empire Strikes Back*, who knew he would become one of the most popular *Star Wars* characters? Today this ruthless, intergalactic bounty hunter has a following all his own. Clad in the fearsome armor of the Mandalore super commandos, Fett has modified his outfit to become a walking arsenal. Aided by his well-equipped starship, *Slave I*, Fett is relentless as he tracks his prey. And, he figures prominently in the new *Shadows of the Empire* series.

NEW! ***Discover the intrigue of Cloud City – waiting inside Fett's head!***
Enthusiasts won't believe the incredible details found inside our Boba Fett Transforming Play Set. Open his face up to reveal the world of Cloud City – complete with booby traps and mini-figurines for hours of play. Re-create your favorite scenes from *The Empire Strikes Back*! 6¾"H.

ALL-NEW

NEW! ***Unique lithographs that capture the magic, the drama, the intrigue of the greatest film trilogy of all time.***

Fresh from the *Star Wars* vaults housing the original artwork, these all-new, limited-edition lithographs celebrate the award-winning art of *Star Wars* like no other lithographs have before them. What's more, each has been hand-signed and numbered – guaranteeing you a place in art collector's history. The "International Video Box Key Art" lithograph features three pieces of artwork by renowned Hollywood designer and artist John Alvin, who has captured the excitement of the trilogy in three inspired illustrations. Only 2,500 lithos have been created, and once they're gone, they're gone. It measures 19" x 31" and arrives elegantly framed and matted for instant display. Also framed and matted are the 29" x 29" modern-art lithos, "Luke" and "Vader." Each of these has been limited to an edition of only 500 and arrives with a certificate of authenticity. Created from the original cells that appeared in the famous *LA Times Star Wars* comic anthology, artist Al Williamson has brought a depth and dimension to characters who will live on in movie immortality forever. Each of these limited-edition lithos will be the hallmark of any collection and makes the ultimate gift for any trilogy or modern-art fan. And, of course, true *Star Wars* aficionados will want to own all three.

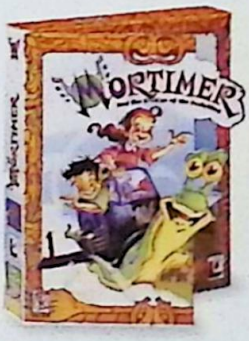
SEPTEMBER 1996



LucasArts is proud to introduce its first adventure for kids – and the entire family.

Wow! LucasArts has created its first CD-ROM title just for kids. And with this CD's incredible 3D flight engine, adults will want to play along, too.

Through the educational fun of Mortimer™, kids get to fly through four different areas of the world. They'll also learn fascinating facts about animals, through fun-filled riddles and interviews. For added intrigue, the animals must be saved from the evil Lodius, who's turned the creatures to stone. As Sid or Sally, kids will have to piece together the precious Medallion as they take to the skies with the lovable Mortimer the Snail. Recommended for ages 5 and up. Endorsed by the Humane Society of America.

01-055 Mortimer and the Riddles of the Medallion™ - PC CD-ROM (Pentium/Windows 95 required) **$36.95**

01-056 Mortimer and the Riddles of the Medallion - MAC CD-ROM (PowerPC required) **$36.95**
